Dear Pastor or Youth Leader,

It is so good to be back at camp again! This year has already been amazingly refreshing and God has been good to us. Of course, please don't stop praying for the coming teen weeks.

A couple people have already asked me about the dates for next year, so I wanted to get those to you as soon as possible. These are the dates for the camp weeks for 2022.

Day of Fasting and Prayer— Monday, May 2

Junior Week 1 - June 27–July 1

Teen Week 1 - July 4-8

Junior Week 2 - July 11-15

Teen Week 2 - July 18-22

Please continue inviting other churches to camp. Almost all of our new churches come from word of mouth. Please also encourage your kids to be part of the ministry by praying for camp. You never know the impact you can have on teens and a youth group by praying for them and inviting them to camp.

Pray for camp!
